

# World Religions Assessment Project

Assigned: \_\_\_\_\_

Due: \_\_\_\_\_

*This project will be in place of a chapter test. Below are the requirements and how it will be graded.*

*While we will have some time to work on this during school hours, it will need to be worked on at home additionally. It needs to be completed in Google Docs so you can work on it anywhere. If you have any questions, please let me know.*

## **Project Description:**

Choose 2 of the 5 major religions we are discussing in class and create a Venn Diagram (We have already gone over how to create this in class and have done a practice one). You will need to **compare and contrast** the two religions along with adding *at least 2 pictures* for each religion chosen. The pictures need to be somewhere on the Venn Diagram along with a sentence for each as to why you chose each picture. The project needs to be completed in **Google Docs** and either e-mailed to me or printed off and turned in by the due date above. There **will not** be time the day it is due during class to send it or print it.

### Grading Points:

**10 points:** Comparing at least 3 areas for the religions

**10 points:** Contrasting at least 3 different areas for the religions

**10 points:** Having at least 2 pictures for each religion

**5 points:** Having a sentence for each picture describing why you chose that picture

**5 points:** In the form of a Venn Diagram and typed out

**5 Points:** Turing it in completed on time.
